**Choices:**
- Primary Approver ALL DOLLAR AMOUNTS or Primary Approver by a specific dollar group, $0-5k, $5-10k, over $10k. **DO NOT add the same Approver to all 3 of these fields**, use ALL dollar amounts.
- **Add New Rule** – Brand NEW project or GL (UDO) needs Approvers added to the accounting string. Multiple Primary Approvers are allowed for each dollar threshold. Secondary Approver is NOT the backup for the Primary Approver but an additional approval in the workflow process.
- **Add to Existing Rule** – the name(s) on this form is/are added to the existing approvers. **NO approvers are removed.**
- **Replace Existing Rules** – remove all current approvers and replace them with the names on this form
- **Remove from Existing Rules** – removes a person(s) from the rule but other names will remain

**HINT:** Before submitting rule updates, use the [Help Desk Intake Form](#) and request the current ADW rules.

- **All approvers must have the role first in Marketplace.** If they do not have the role, complete section 1. If they already have the role DO NOT complete section 1.
- **Approvers must be assigned to a dollar threshold.** The business manager can request as many or as few approvers as needed.
- **Must have at least one Approver for all dollar amounts or multiple approvers for each dollar threshold.**
